

Rainbow draw board!

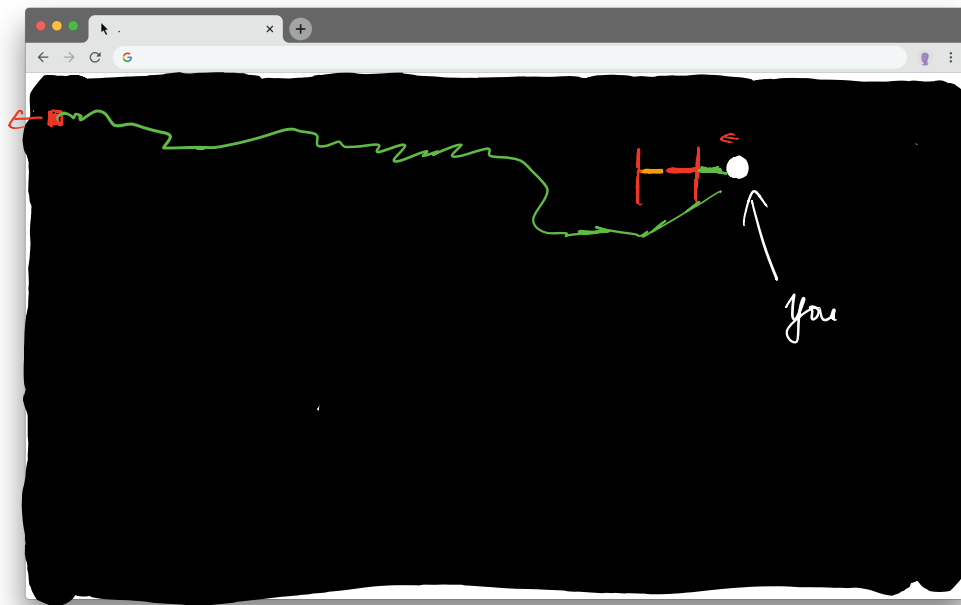

You are a newborn human being on a planet.

You are to find out other living beings on the planet, and to communicate.

You don't speak, you don't write.

Figure out a way to communicate.

invisible  
tab

Users can use  
their keyboard  
to move the point.  
Each movement  
will uncover part of  
the black shadow.  
Under the shadow,  
it is a broad  
rainbow background.

If you get invisible, you can go back  
without turning the rainbow  
path into black, the invisible  
tab is somewhere in the frame.  
The user will need to try to locate it).

If they walk back, the path  
color will turn black again → try  
not to look back.
